7. Do you have any other comments?  Our preference is to retain the ability to voluntarily report under GRI in relation to sustainability reporting.  The Privacy Act 2020 applies to submissions. Please check this box below if you do not wish your name or other personal information to be included in any information about submissions that the XRB may publish.  I would like my submission (or identified parts of my submission) to be kept confidential, and have stated below my reasons and grounds under the Official Information Act 1982 that I believe apply, for consideration by the XRB.	5. Are there any climate-related disclosure requirements that you comply with that are not standards set by other jurisdictions (for example, via supplier agreements)? How important are those disclosures to you? Should the XRB take those requirements into consideration and how?
